Portfolio

SUMMARY

Eager to contribute to meaningful projects while thriving in dynamic environments. Quick to learn and adapt to new challenges, with a passion for problem-solving and continuous growth. Seeking an internship to gain hands-on experience and make a positive impact in the tech industry.

EDUCATION

Bachelor of Engineering in Information Technology

2021 - 2025

Ho Chi Minh City University of Technology (HUTECH)

Courseworks: Object-Oriented Programming, Data Structures and Algorithms, Operating Systems, Web Programming, Mobile Development, Software Engineering,...

Major: Software Engineering | **GPA: 3.4/4.0**

EXPERIENCE (PROJECTS)

ByteStream: AI-Powered Tech News Aggregator (Personal Project)

Feb 2025 - April 2025

- Developed a full-stack web application that scrapes, summarizes, and categorizes the latest tech news using AI.
- Implemented automated web scraping (Playwright) and AI-powered summarization (Gemini API) for real-time content updates.
- Optimized performance with Redis caching and containerized deployment using Docker for scalability.
- Utilized:** Next.js, Express.js, Prisma ORM, PostgreSQL, Gemini API, Redis, Tailwind CSS, Docker.

ReUZit: Peer-to-peer marketplace (Specialized IT Project)

Oct 2024 - Dec 2024

- Led a team of 3 developers, managing tasks using Jira's Agile methodologies to ensure timely project delivery.
- Designed and implemented system architecture with RESTful APIs for core functionalities.
- Integrated external APIs (VNPAY, Logistic API) to streamline payment and delivery operations.
- Utilized:** Java, Spring Boot, React, TailwindCSS, Flutter, PostgreSQL,...

Innerglow: Supplement retail (Basic IT Project)

Mar 2024 - July 2024

- Extended from a school project with basic CRUD functionalities with MOMO payment and Administrator panel for the site management.
- Acquired code management skills using Git and Github to manage and collaborate with the team members.
- Utilized:** C#, ASP.NET Core MVC, SQL Server.

EMPLOYMENT

Teaching Assistant - Apollo English

Mar 2023 - Nov 2023

- Assisted main teacher in the class sessions, improving English skills with the expats.
- Developed communication skills by working and collaborating with supervisors and colleagues.

ADDITIONAL INFORMATION

- Programming languages:** Python, Java, C#, Javascript, etc...
- Certifications:** TOEIC 845, IELTS 6.5, The Complete Web Development Bootcamp by Angela Yu.
- Awards/Activities:**
 - Top 30 Finalist of CJ IT CONTEST 2024,
 - Top 14 Finalist in HUTECH IT Got Talent 2024
